11: The Pluto-problem ... Esoteric remarks about the Pluto function ... Pluto, the reflected Mars ... The planet of conscious, purposive Self-development ... Past and future in changing relation ... Decision of man ... Janus ... Pluto in the separate categories and signs ... Aspects with the rest of the planets.
Fourth Sequence: Man and Earth
Part One: Twelve legends of Man’s Wanderings on Earth

Rising Signs -- (Six Lectures)

1: Earth as human habitat … Earth and heaven’s “geography” … The Zodiac’s projection upon Earth … The horizon as equator … The 12 so-called “houses” … Above and below the horizon … Celestial and terrestrial heredity … Old traditions in the light of modern thinking … Interpretation of the individual houses according to our theory … Man’s Wanderings on Earth.

2: The general legend of human life … Another analysis of the separate houses in analogy to the analysis of the signs of the Zodiac … The points of intersection between Zodiac and horizon … The meaning of the ascending sign … The “Ascendant” Position of the houses in relation to the Zodiac … Esoteric significance of the Ascendant.

3: The general “formula” of earthly life, according to the position of the Ascendant … Twelve images of life … The Ascendants: Aries, Leo, Sagittarius.

4: The Ascendants Libra, Aquarius and Gemini.

5: The Ascendants Cancer, Scorpion and Pisces.

6: The Ascendants Capricorn, Taurus and Virgo.

Fourth Sequence: Man and Earth
Part Two: Between the world of the Planets and Earth:
The planets in the Houses -- (Fifteen Lectures)

1: The three perspectives once more … First, second and third Zodiac … Mutual relations … Hierarchic rulership of the Zodiac … New explanation of the houses in regard to the second Zodiac … The four elements in the third Zodiac.

2: Continuation … Psychological meaning of the houses … Human roots in Earth … Man’s attitude concerning his terrestrial work-field.

3: The functions of the planets, experienced from Earth-perspective … The “Earth-coefficient” of the separate planets … The aspects in the light of the Earth-perspective … Mundane aspects … Opposed house-groups and their meaning.

4: The First House … Planets in the First House.

5-15: Houses Two to Twelve and the planets in them.

Fourth Sequence: Man and Earth
Part Three: Fate and Destination – (Eleven Lectures)

1: Essential association between fate and destination … Readiness for fate and external occurrences. Fate-involvement dream experiences … Connection between certain areas of life (houses) in the individual horoscope … The problem of the “accidental” … What is accidental … The rulers of the houses … The “Ruler of the Horoscope” … General remarks about the rulers of the twelve houses.

Fifth Sequence: Man in the Concert of the Star
The Tenet of the Aspects – (Twenty-five Lectures)

2: Individual psychology and astrological theory of the aspects … The essence of the individual aspects … Secret aspects … Parallel aspects … Three special parallel aspects.
3: The conjunction … Conjunction Sun/Moon in every individual sign.
4: Sun/Jupiter conjunction in the individual signs … Sun/Saturn conjunction in the individual signs … Sun/Mercury conjunction in the individual signs.
5: Sun/Venus and Sun/Mars.
6: Sun/Uranus and Sun/Neptune.
7: General remarks about the Moon conjunctions … Moon/Mars … Moon/Venus.
8: Moon/Mercury … Moon/Saturn.
10: General remarks about the conjunctions of Mercury.
12: Mercury/Uranus … Mercury/Neptune.
13: The conjunctions of Venus … Venus/Neptune.
14: Venus/Jupiter … Venus/Saturn.
15: Venus/Uranus … Venus/Neptune.
16: The conjunctions of Mars … Mars/Jupiter … Mars/Saturn.
17: Mars/Uranus … Mars/Neptune.
18: The conjunctions of Jupiter with Saturn and Uranus … the so-called “great (platonic) conjunctions” … Jupiter/Saturn in general … The last Jupiter/Saturn conjunctions since 1861 … Jupiter/Uranus since 1872.
20: The aspect of opposition … The opposing Zodiac-signs … 6 groups and their meaning … Above and below the horizon … Individual oppositions … Mars-Venus, Jupiter-Mercury, Sun-Moon, Sun-Uranus, Moon-Saturn, Moon-Uranus.

22: Square, trine, sextile ... Complementary aspects: semi-square and square, half-sextile and quincunx.

23: The parallel aspects.

24: The Moon nodes ... The so-called “hyleg”.

25: Sex and the horoscope.

Sixth Sequence

Movement of the Stars and Course of Life – (Thirteen Lectures)

1: Possibility of prediction of fate based on the rhythm of the stars? ... The problem of prophecy ... Three kinds of prophesies: that based on mathematics, natural-scientific prophesy, and moral prophesy ... Astrological prophesy a combination of these three ways ... Ancient and modern concept of the fate idea ... Superstition and science ... On the border between both.

2: The three ways of prophesy once more: their astrological translation into the doctrine of transits and directions, the doctrine of consecutive natural periods of life in connection with the stellar rhythm, man’s fate-maturity as expression of his moral development ... Individual-and-mass-fate ... General remarks about the essence of transits; four different forms of transits ... Review of some older teachings about the planetary rhythms.

3: The fourth form of transit ... The daily transit of the Sun through the twelve houses ... The Sun’s yearly orbit through the Zodiac ... Solstices and equinoxes ... Ascendant and individual vernal point ... The Sun reveals ... The yearly travel of the Sun through the twelve houses ... The monthly rhythm of the Moon and its way through the twelve houses ... New Moon and Full Moon.

4: The old theory of the so-called planetary hours ... The solar transits of the individual planetary locations ... Mercury’s wanderings through the twelve houses and over the places of the planets.

5: Wanderings of Venus and Mars through the twelve houses ... Transits of Venus over planetary places ... Transits by Mars ... Jupiter transits.

6: Saturn transits ... Special importance of its transit over the Sun ... Wanderings through the twelve houses and above the places of the planets.

7: The planet Uranus treated in similar fashion.

8: Transits of Neptune through the houses and above planet-locations ... Ascending and descending Moon-nodes ... Their interdependence ... Wanderings through the twelve houses.

9: Transits over aspect-places ... Critical periods, critical days and critical points ... Demonstration on a special horoscope ... Warning regarding false conclusions ... Reverence to a higher law of maturing, of fate-preparedness.

10: The doctrine of the so-called progressions ... A day equals a year ... Astronomical reasons fro this key ... Progressive wanderings of the ascendant through the elements following that of birth ... Wanderings of the ascendant through the three modii following the modus of birth ... Three tables of human development ... Uranus-table of the twelve
times 7-year period change of elements, change of modality … Progressive movement of
the ascendant through houses 1 to 4, and the places of the planets there located: Moon,
Mercury, Venus, Mars treated similarly.
11: The ascendant moving through houses 1 to 4 and over the places of Jupiter, Saturn,
Uranus and Neptune … Movement of the Medium Coeli (Mid-Heaven) through the
elements and modalities … Movement of the Medium Coeli through houses 10 to 1 and
accidental planetary locations.
12: Similar treatment of the Immum Coeli (Lowest Heaven or Nadir) regarding its
movement through houses 4 to 7 and the planets located there … Movement of the
descendant through houses 7 to 10 and over the planetary locations therein.
13: Continuation … Progressive transits of Ascendant and Medium Coeli over the
Moon’s nodes.

Seventh Sequence (Appendix)
Work on One’s Own Horoscope – (Ten Lectures)

1: The treasure hidden in the vineyard … Value and vanity of the knowledge of one’s
own horoscope … Wandering and transformation of man through the school of life …
World development and individual development … At the crossroads Hermes, master of
change … The four falling houses: 3, 6, 9 and 12 … Ways of man’s rising above his birth
constellation.
2: The rulers of the falling houses in general … The progression of the houses and man’s
natural change in the course of life … Plan of the following examination.
3: Correspondence between houses and signs of the Zodiac … Transformation of the
Sun; the relations between the solar position of the nativity and ascendant … Analysis of
the sixteen possible cases.
4: Moon-transformation … Relation of the Moon-position in the nativity and the second
house … Sixteen cases.
5: The sixteen cases of Mercury-transformation.
6: Venus-transformations.
7: Mars-transformations.
8: Jupiter-transformations.
9: Saturn-transformations.
10: Supplement.
